A woman may not think enough of a man to marry him, but she never ceases to think well of him for asking her.

Congressmen are now thinking of making more than one state of Texas. The annexation of Texas provides that the state of Texas may be divided into five states. The congressman who think of making more than one state of Texas have a big opposition in the state to combat.

Now that Mr. McKimley is re-elected, some of the papers are charging that the Sultan of Sulu rejoices. If Mr. Bryan had been elected some others would have charged that Aguinaldo rejoiced over the news, so it is that elections have their compensations.

It appears from general signs of the times that the railroads so long contemplating building in the Indian Territory are about to begin work on lines criss-crossing the country. These will have a tendency to develop more of the mineral lands, but will have little effect on agricultural lands, as there is no chance to do much with them before allotment takes place.—Denison Herald.

Tourist Sleeping Cars Via The Rock Island Route.

A few years ago, if one were to intimate that he could get into a car at Los Angeles or San Francisco on the Pacific coast and travel through to Boston on the Atlantic coast, or vice versa, without a change of cars, he would be looked upon as a fraud. Today it is a fact!

Through personally conducted tourist sleeping cars, finely equipped with clean linen and bedding, leave Chickasha every Thursday at 1:30 a. m., arriving at Los Angeles at 11 o'clock Sunday morning and San Francisco at 1:45 a. m. Monday.

The Boston car leaves Chickasha at 2:30 p. m. every Sunday and arrives in Boston at 11:30 p. m. the following Wednesday.

Each car is accompanied by a colored porter, whose duty it is to care for the wants of the passengers. An experienced conductor is in charge of the car and he looks after passengers, and points out places of interest enroute.

The rate charged for these sleeping car berths is less than one half of the regular Pullman rate. The berths are large and spacious and will comfortably accommodate two persons.

For further information see Mr. J. F. Kimmerly, local agent.

The villain who mailed a bob-tailed dog to each of Kansas City police commissioners will be severely punished, if caught.

The warmest fall yet is to have no fall.
